

## Nanosafety Training School

### From Basic Science to Risk Governance of present & future Nanomaterials Interprofessional Education Training School

CEST	Monday, 21 <sup>st</sup> June	Tuesday, 22 <sup>nd</sup> June	Wednesday, 23 <sup>rd</sup> June	Thursday, 24 <sup>th</sup> June	Friday, 25 <sup>th</sup> June
12:45-13:00	Check-in & Warm-up – Get familiar with our <a href="#">Platform</a>				
13:00-14:30	<b>Welcome &amp; Key Note Lectures</b>	<b>Hazard to Human Health &amp; Environment</b>	<b>RRI Roleplay Workshop: Safe-by-Design Sustainability Forum</b>	<b>Risk Assessment &amp; Management</b>	<b>Modelling &amp; Closing Remarks</b>
14:30-15:30	Coffee Break & Virtual Networking – See you in the <a href="#">Networking Hub</a>				
15:30-17:00	<b>From Nanosafety to Nanomedicine: a 10-year Perspective</b>	<b>Fate &amp; Exposure Assessment</b>	<b>Similarity Assessment, Grouping &amp; Read Across Approaches</b>	<b>Risk Governance</b>	

These projects have received funding from the European Union’s Horizon 2020 research and innovation programme under grant agreement No 760928, No 760840, No 814426, No 814401, No 814425, No 814530 and No 760813.
